Community Christmas Function

When: Friday 18th November, from 6.30pm
Where: Fairwater Community Room

To welcome and celebrate the festive season here in Fairwater, all residents and owners are invited to the annual Community Christmas Function. Activities will include a sausage sizzle, some Christmas music and the opportunity to meet and mix with your fellow residents. Guests are advised to BYOG and a plate of Christmas food however some wines will be supplied. We look forward to seeing you all there.

Community Improvements . prior to the end of the 2015-16 year we will be undertaking improvements to the community pool and community room areas. These improvements include repainting, a new look and some new furniture for the community room, some shade options for the pool area and quotes are being obtained for a new BBQ. These initiatives will occur in the first quarter of 2016.

Website Information . Residents looking for information on how to submit applications to improve or change the external look of their properties can view the directions on how to apply on the community website www.breakfastpoint.nsw.au. Details of the recent changes to our A&L Standards on planting heights and privacy screen awnings and blinds can be seen on the website.

Thank You . to Rod & Kay for their efforts in erecting the Christmas Lights and the Christmas tree. Their community spirit is once again on show & the community thank you for it.

Sharing the Load . At our recent Executive Committee meeting two residents offered to assist with tasks in our community. One offered to keep an eye on the pool to check on levels, overflowing etc. whilst another has offered to keep an eye on the Community Room, particularly after resident bookings to make sure the room is left tidy.

Warm compliments of the season to all Fairwater Residents

Fairwater Executive Committee.
